

### SNOW TUBING PERMISSION SLIP / WAIVER

I/We understand that campers will be transported in approved camp vehicles from Brethren Woods Camp and Retreat Center to Bryce Resort for a snow-tubing experience. Drivers will be at least 21 years of age and have a valid driver's license. At least two Brethren Woods staff members will accompany campers, including staff certified in First-Aid and CPR. I/We understand these conditions for transporting and supervising campers for this adventure experience.

I/We recognize that snow-tubing has inherent risks that must be assumed to participate in this experience. The inherent risks may arise from foreseeable and unforeseeable dangers, hazards, and other causes including, but not limited to: variations in weather, snow, and terrain; bare spots; collisions with other tubers and objects such as rocks and forest growth (above or below surface), towers, utility lines and their components, and snowmaking and snow grooming equipment; falls; riding the lift; the fact that the tube is non-directional; and tubing off an open trail. Any of these hazards can cause permanent catastrophic injury or death. Participation in snow-tubing and/or use of snow-tubing equipment may result in injury, illness or other damage including, but not limited to, bodily injury, disability, death, and/or property damage.

Knowing and recognizing these facts, I/we choose to go tubing, or allow my child to go tubing, at Bryce Resort and expressly assume all of the risks that such activity may present. As an inducement to Brethren Woods allowing me to participate in this activity, I/we waive my/our rights to pursue or maintain any and all claims, suits, and demands, actions, causes of action, or recovery of any kind whatsoever against any activity sponsor, including without limitation, Brethren Woods and its directors, officers, employees, agents, and consultants, for any bodily injury, disability, death, and/or property damage due to any cause whatsoever, arising from my participation in this activity, including the transportation thereto or therefrom. Furthermore, I agree to indemnify and hold harmless all of the foregoing from any claims which I might make or which might be made on my behalf by others arising from my participation in such activity.

I am the parent or guardian of the minor listed above, and on the child's behalf and on behalf of me and all other parents or guardians of the child, I consent to this child participating in snow-tubing activities and I hereby accept the above release and waiver of liability as inducement for allowing the child to participate in the above-described activity. I further authorize any emergency medical care which may be necessary. I represent that I have the authority to give this release.
